Contact # 09281550132

OBJECTIVE

I am committed to leveraging my academic background and passion for computer engineering to make meaningful contributions to the field. I aim to work in a dynamic environment where I can apply my skills to solve real-world problems and continuously grow as a developer. By embracing innovation, collaboration, and lifelong learning, I strive to build impactful solutions that enhance user experiences and drive technological progress.

PERSONAL INFORMATION

Gender:	Male
Age:	21
Birth date:	February 22, 2004
Height:	5'6
Weight:	55kg
Status:	Single
Religion:	Iglesia Ni Cristo
Language:	Filipino & English
Nationality:	Filipino

EDUCATION

COLLEGE

Technological Institute of the Philippines

Quiapo, Manila

Bachelor of Science in Computer Engineering

2022 - Present
